FOR DNR USE ONLY

**DIY Trail Snacks
Marquette, MI
March 20, 2022**

Experience: Novice/Beginner

Date and Time: Sunday, March 20, 2022. 4:30PM-6:30PM

Location:

Our instructional kitchen in Marquette provides a great venue for a group cooking experience. This kitchen contains all the needed cooking and serving supplies, as well as three full cooking stations for demos and interactive food preparations.

The kitchen can be accessed by either two flights of stairs or an elevator. Bathrooms are located nearby.

About the Classes:

In this class you can expect to enjoy at least three homemade trail snacks, including some of the instructor's favorite goodies to bring into the woods or out on the water. Expect this to be a hands-on class and to go home with a goodie bag of fresh trail snacks and recipes to use again in the future.

Unfortunately, we are unable to accommodate food restrictions. Recipes will contain nuts and may also contain other allergens. The class is appropriate for vegetarians. If you have specific questions, please reach out to dnrbow@michigan.gov.

What You Should Bring:

Dress comfortably to be indoors and able to move about and participate in the cooking class.

All ingredients and cooking supplies will be provided. However, please do bring your own to-go containers to bring home the extra tasty treats from class.

Health Procedures:

We will follow all state and local guidelines, as well as the guidelines at the venue, as they pertain to COVID-19. Updates will be emailed as the event gets closer.

If a participant has any questions that they need answered prior to making the decision to sign up, please email dnrbow@michigan.gov. After the registration period is closed, the instructors will contact all participants and provide additional information and opportunities to ask questions.
